

November 2009

The North West LHIN invites you to:

## Update on the Province's Health Human Resources Strategy

Health human resources is a priority in the North West LHIN and across the province. In this session, initiatives addressing health human resource pressures and improving access to family health care in Ontario will be discussed.

**Dr. Joshua Tepper**  
(Assistant Deputy Minister)

Friday, November 20, 2009  
12 noon - 1:00 pm (EST)

Dr. Joshua Tepper is a family physician and an Assistant Deputy Minister at Ministry of Health and Long-Term Care, Health Human Resources Strategy Division.

With a degree in Public Policy from Duke University he has been involved in health policy and research relating to health human resources at both the provincial and national level. He was a senior medical officer for Health Canada, an adjunct scientist at the Institute for Clinical Evaluative Sciences (ICES) and a research consultant for the Canadian Institute of Health Information (CIHI). Joshua was president of both the Canadian Federation of Medical Students and the Provincial Association of Interns and Residents of Ontario. He has sat on the board of both the Canadian Medical Association and the Ontario Medical Association. He completed his Masters of Public Health at Harvard University in 2005.
